

# HERE'S the POINT

By SPENCE HELD

Saturday afternoon I ventured across the bay and wandered around downtown San Diego for the first time in more than a year.

It was all very noisy and confusing. The Plaza pigeons and white-hatted sailors looked much the same; however, I felt like a country boy on his first trip to the city.

A cold wind blew through the Broadway canyon. I was chilled, also, by the cool impersonal glances of a multitude of hurrying strangers, and finally ducked into a restaurant for a cup of coffee.

Seated next to me at the counter was a flashy fella whom I identified instantly as a city slicker. He looked at me out of the corner of his eye, sizing me up.

"Got a match, friend?" he asked.

"Yeah," I said, handing him one of my loose kitchen matches. But I kept the other hand in my pocket, clutching my coin purse. I'm no rube—I know all about these city fellas and their sly ways.

Pretty soon he said, "Been in San Diego long?"

"Just got in today. I'm seeing the sights—this is really a big town, ain't it?"

The flashy stranger eyed me narrowly. "It's big enough if you know where to go. You can get action, all right."

Well, I could see which way the wind was blowing. Jumping up real quick-like, I grabbed my check, paid my dime and beat it out of there in a hurry.

I had heard about a big new library somewhere—that oughta be a safe place to go. It didn't take me no time at all to find it, either. I walked up the steps bold as brass and pushed open a fancy door and there I be, right smack in the middle of 40 acres of book learnin' and a passel of eddicated ladies to explain it.

There was one of them new-fangled elevators that you run yourself. Hey, wonder if I could handle it?

So I climbed aboard and shoved a button and danged if the shebang don't take off. I rid up to the second floor without no trouble at all.

Well, there's a big room full of newspapers and stuff and things; guys sitting at tables reading, and everything calm and peaceful as a hog on ice. This is for me, I figured.

They got papers from all over heck, even Great Falls, Montana. My wife's uncle from Anacanda would like this place. Hey, maybe they got my home town paper.

I fiddled around with some of them slats they got papers hanging from, and pretty soon I come across what I was looking for.

## O. B. Lions Club

The Ocean Beach Lions Club was entertained last Thursday evening at the Community Center by Monte Hall and one of his favorite co-workers on radio and TV, 9-year-old Tommy Shaddox.

It was the annual Father-Son night held under the leadership of George Celeste. After a "kid's dinner" served by Dick Hake, club member, Monte Hall took over with an hour or more of cowboy talk interspersed with songs and guitar renditions in western style.

Tommy Shaddox sang cowboy solos and then a duet with Hall.

## HOTSHOT BASKETBALL ON TAP HERE TONIGHT & FRI. NIGHT

One of the greatest arrays of basketball talent ever to appear in San Diego will play for the benefit of the 1956 United States Olympic Games Fund when Grihalva Buick meets the Armed Forces All Stars tonight and tomorrow night at Point Loma High gym.

Six players from each team will be selected to represent this country in the Pan-American Games next month in Mexico City. All proceeds from the series here will be earmarked for feeding, clothing, housing and transporting athletes to the next Olympics in Melbourne, Australia.

Grihalva, which just completed a 15-6 season against the best competition in Southern California AAU ranks, will go into the benefit games with the addition of Jim Hoverder, All-American ace who led the locals to runner-up spot in last year's National Amateur cage finals in Denver. Other standouts are Hugh Faulkner, with a 15.2 scoring average this year, Locke Olson, Ken Leslie, Jim Poole and Paul Rundell.

The Armed Forces All Stars can field a team with All Americans of collegiate days at each position. Forwards Robert Kennedy (Kansas) and John Clune (Navy); center Robert Williams (Florida); and guards Mel Kelly (Kansas) and Walter Walowac (Marshall) have won this recognition. Other standouts are Jack

Williams (Wake Forest), Donald Lance (Rice), Cecil Silas (Georgia Tech), James Paxson (Dayton), Dwayne Morrison (South Carolina), and Alva Wilfong (Missouri). Don Byrd is an All-Army center.

Tickets for the games starting each night at 8 will be available at the gym door. Sponsors of the benefit games are the local AAU, the Park and Recreation Department, and a committee of leading local citizens.

## Rudrauff Cites San Diego's Pressing Needs

Jerry Rudrauff, candidate for mayor in the March 8 primaries, pointed to San Diego's six most pressing needs and declared that unity is the keynote for success in securing them.

He spoke Tuesday at a luncheon meeting of the South of Broadway Association at the Maryland Hotel.

The needs Rudrauff listed were:

1. Adequate sewage disposal system.
2. Industrial expansion.
3. Harbor development.
4. New water sources, larger storage facilities and better distribution system.
5. Convention - Auditorium building.
6. Community unification.

"These problems we must approach on a common sense, businesslike basis," Rudrauff said, "and the only common sense method is teamwork among the people, the communities within the City and the County. Without this teamwork we will suffer from conflicting actions, diverse opinion and confusion and the only results achieved will be a staggering increase in the tax burden."

"Here's what I propose to do: As mayor, I will establish area-wide independent groups of citizens to study these problems, arrive at mutually agreeable solutions and present their findings to the City Council for immediate action."

## Gould Will Sail In Newport Race

Gartz Gould has been selected to represent San Diego Yacht Club in the San Diego Lipton Cup race which will be staged off Newport on Sunday, March 27.

## Plans Already Prepared For Groin Construction

Plans for a rock groin at Ocean Beach, to hold in place the sand to be dumped there from the Mission Bay Channel dredging, have been prepared by Army engineers and the U. S. Beach Erosion Board staff, it was reported yesterday by Glenn A. Rick, city planning director.

Walter Schob, planning department engineer, was in Los Angeles yesterday for a meeting of Army engineers, Rick said. Plans for the groin were to be discussed at that meeting.

"We can't wait for U. S. Erosion Board approval of the plans," said Rick. (The board had been expected to meet in March but Rick received word it will not meet until April or May.)

The City Manager is expected to ask the City Council to authorize a call for bids on the job for construction of the groin

## WOMAN INJURED IN AUTO CRASH

A woman was seriously injured in a collision here Sunday and a youth escaped injury Monday when his car hit a telephone pole, police reported.

Mrs. Gladys Fitch, 60, of 2076 Bacon St., was thrown from a car in a crash Sunday at 6 p.m. at Ebers and Lotus Sts. She was taken to Scripps Memorial Hospital.

Police said she had been riding in a car driven by her husband, Gerald E. Fitch. Another auto, driven by John B. Alexander, 31, sailor, collided with the Fitch car. Alexander was cited for speeding.

Paul M. Callaghan, 16, of 3449 Macaulay St., escaped injury Monday morning when his old sedan struck a telephone pole at Lowell and Evergreen Sts. The pole, cracked near the bottom, was kept from falling only by the wires. Callaghan's car was badly damaged.

## Lomans To Play Hoover Friday

Point Loma High School's basketball team, victorious over Lincoln but defeated by Kearny, will complete its season against Hoover tomorrow at 4 p.m. in the local gym.

It was a case of too much Jim Henry when the Lomans lost, 53-45, to Kearny Monday night. The hotshot Komet forward scored 21 points, although the Lomans' Bill Harvey, with 19, also staged a shooting spree.

The locals led most of the way but Kearny closed strong, scoring 20 points in the last quarter.

Point Loma defeated Lincoln, 44-41, Friday night.

## Mrs. Fay Named 'Citizen Of Year' By S. D. Teachers

The San Diego Teachers' Association named Mrs. Mary Fay "Citizen of the Year" when they presented their annual Citizenship Award for 1954 to her at their regular board meeting at 4470 Park Blvd., yesterday. The award was presented by Gene Brucker, president of the Teachers' Association.

Brucker praised Mrs. Fay for her loyalty to the principles of freedom, recognition of her public duty, willing cooperation and promotion of moral and spiritual values in her participation in the League of Women Voters, PTA, School Board and other civic groups.

Mrs. Fay is the first San Diego woman to receive this award, which is sponsored by the Citizenship Committee of the National Education Association.

Mrs. Fay was unanimously recommended for the award by a committee of council representatives from all San Diego city schools, and finally selected from a number of civic leaders by the unanimous decision of the San Diego Teachers' Association Board.

## Mrs. Fay Speaks At GOP Meeting

A scientific analysis of all the factors involved is an important to the city schools as it is to government in general, Mrs. Mary Fay, school board member and candidate for reelection, told a meeting of the Ocean Beach Republican Women's Club last week. Mrs. Fay was introduced by Mrs. Bettie Knauer.

Experience means a lot in the guidance of so vast a program as that of the San Diego City Schools where nearly 70,000 children attended this year, Mrs. Fay pointed out that her 16-year tenure on the Board of Education has embraced the period of San Diego's greatest growth. It is this type of experience, Mrs. Fay said, which has led to the stability of the city schools present administrative set-up. Continuity of thinking is important in a mushrooming community.

**LOCAL SWIMMERS**—Deborah Phelps, 9, daughter of Mr. and Mrs. Gerald Phelps, 1819 Catalina Blvd., has been swimming for the Town and Country Club in the annual Down the Mississippi telegraphic meet. The other gal, of course, is Florence Chadwick, a Point Loma High School graduate.

## PENINSULA BOWLERS ROLL 'EM HIGH, WIDE—AND HANDSOME

Although Elm's Clothiers and Home Appliance dropped two out of three to Webb's Canteen and Lucky Marine Radio, respectively, they continue to lead the Tuesday 800 Bowling league at Ocean Beach Bowl. Elm's rolled a single game of 898 but bowed to Webb's series total 2567. Feyler shot 212 and Pete Petrie racked up a 583 series.

In Wednesday Mixed league competition the Angler's Bait and Tackle team holds an eight-game lead over Villano's Cafe. Blue Pacific holds third and Ocean Beach Garage stands fourth. High this past week was Ward Pharmacy with 794 and 2046. Norm McCree led men with 205 and 541. Lillie Ketcham rolled 183 and 422.

The Beach Combers have built up a four-game lead over ABC Bowling Shop in the Thursday Trio circuit. Team 2 shot 479 for one game and Tro Fiends had 1343 for three. Moore Eldridge at 188 and Lou Valers, 494, were high men while Pat Garrett took honors among women with 175 and 492. The Beach Combers and ABC Bowling Shop meet today in a vital series.

## YELLOW DERBY DATES, RULES ARE ANNOUNCED

Announcement of dates, rules and regulations which will govern the Junior Chamber of Commerce's ninth annual \$25,000 San Diego Yellowtail Derby and some of the best catches of cod and groupers of the entire winter highlighted the week for deep sea anglers.

As was the case last year, the 1955 edition of the western fishing classic will be held in four periods of six weeks each and with a one-day fishoff for the 100 top anglers each quarter. The major prizes at stake in each fishoff will be topped by an automobile.

Derby dates, announced by George Perkins, chairman of the Jaycee committee, follow:

First Period—Qualifying begins April 2, ends May 14. Fishoff on Wednesday, May 18.  
Second Period—Qualifying begins May 15, ends June 25. Fishoff on Wednesday, June 29.  
Third Period—Qualifying begins June 26, ends Aug. 6. Fishoff on Wednesday, Aug. 10.  
Fourth Period—Qualifying begins Aug. 7, ends September 17. Fishoff on Saturday, September 24.

In the meantime, anglers are making good use of their time as they await the start of the derby. Among anglers of the Point Loma district who made especially good catches of cod and groupers were Major Harry Halladay and his guest, Baroness Maud Engberg, of Sweden.

## Daz-O-Fun Dates

The annual Daz-O-Fun carnival will be held Aug. 19-21, Friday, Saturday and Sunday, it was announced yesterday by the Ocean Beach Chamber of Commerce. Dr. Winton B. Oster is chairman for the 1955 carnival.

## Dail Discusses Local Problems At O.B. Meeting

Experience in municipal problems, particularly those pertaining to San Diego's various communities, is of paramount importance, Councilman Charles C. Dail, seeking election as mayor, told members of the Ocean Beach Republican Women's Club last week.

For instance, Dail pointed out, one of the principal problems confronting residents of Ocean Beach and the entire Mission Bay area right now is the construction of a jetty (groin) to prevent beach erosion at the foot of Newport Street. Fill from the dredging of the Mission Bay channel now under way will be used to build up this stretch of beach, but unless some permanent protection for this beach can be provided, it will be eroded again, and the channel filled, preventing use of Mission Bay.

**Recreation**  
In addition, Dail said, recreational facilities not only in Ocean Beach, but throughout the rest of the city are falling behind needs of the growing population. We must seek the means, Dail said, to provide adequate recreational facilities for both our children and adults.

Adequate sewage disposal for San Diego has been a principal concern, Dail said, since he first entered the City Council. In 1943 he was a member of a civic committee successful in passing a two million dollar bond issue for the provision of sewers. In 1944 the same committee was successful in obtaining war production board priorities for the materials.

**Sewers Outmoded**  
Now, Dail said, the sewers built 11 years ago are outmoded. A board of engineers at City Council invitation, is studying every facet of the so-called Rawn Report. Dail pointed out that deep sea divers are actually checking outfall locations in the ocean.

The location of the sewage treatment plant, Dail said, is currently under study. Requirements by the board of engineers will come before the City Council for final decision. Finally Dail pointed out that he will urge the participation of outlying cities in the sewage program from the point of view both of planning and of bearing their share of the cost from the beginning.

## O. B. Kiwanis Club

Bill Brotherton, director of public relations for Ryan Aeronautical Co., gave a much-anticipated talk on public relations at Tuesday night's meeting of the Ocean Beach Kiwanis Club. Don Irwin was program chairman.

Bud Overby, proprietor of the Ocean Beach Pharmacy, was installed as a new member. Hal Mills was inducting officer.

A 1-year perfect attendance pin was received by Terry Sweeney.

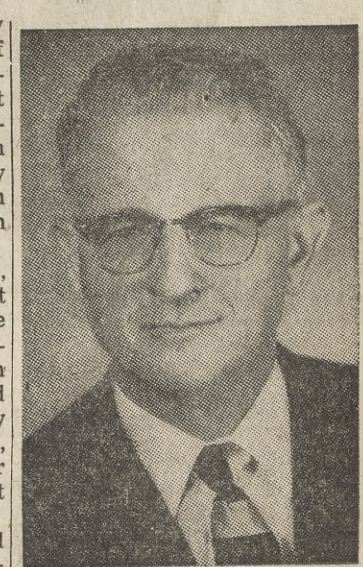

## ROBERT C. DENT CANDIDATE FOR RE-ELECTION TO BOARD

In announcing his candidacy for re-election to the Board of Education after six years of service, Robert C. Dent, merchant and civic leader, declared yesterday that he would campaign on a platform of "strict economy consistent with keeping San Diego's educational system among the nation's best."

"That stand, at first glance, might appear contradictory, but during my six years on the Board of Education, I have challenged every expenditure in much the same way I would evaluate the spending of money in my own business," said Dent, who has been in business for himself as a clothing merchant in North Park since 1926.

"Operating your unified school system, which provides the highest educational facilities from the kindergarten to adult education, is definitely big business, as we have a \$24,000,000 budget annually," he added.

"While that money comes almost entirely from tax funds out of your pockets, I believe it should be spent only after careful study, and consistent with the best methods. I am proud of my reputation as a 'watchdog for economy', because, believe me, illustrating that last remark, Dent referred to his firm stand against what he termed "silly frill education," such as ballet dancing for adults, musicales, etc., "while we had some double sessions for our children."

D. W. Lewis, your Telephone District Manager in San Diego

### New type of voiceway goes to work in rural areas

The telephone cable being put up by this line-man is one of the newest things in the telephone business. It looks like nothing so much as an old-fashioned twist of floorice. But actually it's six pairs of wire coated with a special abrasive-resistant plastic. The new cable was especially designed for use in telephone lines in areas where homes are widely scattered. It's extremely light and easy to work with. And its cost in use is less than other kinds of wire. Savings like this help us keep good telephone service one of the best buys in your family budget. Pacific Telephone works to make your telephone a bigger value every day.

Need tools in a hurry?  
Here's the place to find them

Seems like 'most everyone's a "do-it-yourself" fan these days. That makes this tip handy to remember: When you need new tools to start one of these jobs, a good place to look is in the Yellow Pages of your telephone book. Fact is, the Yellow Pages show where you can find 'most anything you want. That's because nearly everyone in town with something to sell advertises in them. So next time you need something fast, just turn to the handy Yellow Pages.

### When you build or remodel

When you build or remodel, you'll want your home to have the modern features that contribute so much to its livability. And you'll want it as easy to run as possible, too. One of the best ways to take the "run" out of running a house is to have your builder or architect put built in telephone facilities in your plans. They save all those unnecessary steps from the kitchen or bedroom to the living room to answer the phone. And they cost so little. For more information, just call or drop in at your telephone business office. Pacific Telephone.

## AD LIBS

INCLUDED IN THE KIT—Sgt. USMC, Robert Bruce Stott, Jr. is an accredited ski instructor who spends every free moment at Big Bear ski runs. Recently a buddy of his skied down the hill safely, only to break his ankle in a freak snap from a standstill position. Stott walked over to his car, opened the trunk, took out a pair of crutches and tossed them to his friend.

"Next ski trip I should take a wheelchair," said Stott. "I've never seen so many broken bones on ski runs as I've seen lately."

**MATRIMONIAL HIGHWAY**— "I'm going to journey to Yuma," said Jack Di Sabitino, assistant manager of De Falco's Point Loma store. It was his way of telling your reporter of his approaching marriage to Goldie Rauber, 4251 Del Mar. They made the trip and are now living at Jack's home in Pacific Beach.

**HAIR STYLING SECRET**—Dotty Thomas, cute brunette who teaches synchronized swimming at the Mission Valley School of Swimming, enjoys a unique method of cutting her own hair. It's naturally curly and she has to keep it short. When it needs whacking off, she gets in her convertible, puts the lid down, and speeds around the block. The hair that stands up Dotty cuts off.

**WHERE WAS MOSES**—Eating turkey dinner by candlelight may be romantic, but trying to wash dishes in the dark is another story. That's what happened when friends of Mr. and Mrs. Dick Jenkins surprised them with a housewarming party recently at their new home in Del Mar. The Jenkins formerly lived at 1859 Chatsworth Blvd.

The occasion also turned out to be a surprise birthday remembrance for Mrs. Dennis Holden, the English girl who taught Ad to pour boiling water over tea leaves, not "dump in the tea." Other guests were Messrs. and Mmes. Allen B. Neis, Roy Wright, Marvin Suedmeyer and Mr. Holden.

**DID YOU KNOW**—That Madeline's Dining Room is becoming one of the most sought-after spots for group luncheons and dinners in Point Loma? Last week the Banquet Room, which seats 125, was booked up solidly noon and evening, said Harold Green, owner and operator of the adjoining Marlin Inn. "The food is really good. I eat it myself," added Mr. Green, who is Madeline's husband.
